The state of Florida provides by law for compulsory attendance by all children between the ages of 5 and 16 years. When a student has been absent, the school requires a written excuse using the SPP Attendance Letter from the parent or guardian, or a doctor's note on their letterhead must be submitted within 2 days of the child's return to school to be considered for excusal. Administration reviews letters for excused absences, tardies and early releases to determine approval, if the absence from school is to be recorded as excused or unexcused. Sts. Peter and Paul Catholic School may report truancy to the Department of Children and Families when there is an extended absence without written explanation from the parent. A student who is absent from school for more than 18 days in a

school year (or 9 days per quarter) may not be promoted to the next grade unless the Principal grants an exception and determines a way in which the student may receive additional instruction. It is the responsibility of the parent and student to obtain missed work due to an absence. Teachers do not provide make-up work without a formal request for unexcused absences from school. The student will have one day from every missed day of school to complete the work with excused absences. Generally, students are allowed to make up missed work when an absence is Excused, whereas work cannot be made up for absences that are Unexcused. Students arriving after the bell, but before 11:00 am are marked tardy. Students arriving after 11:00am, are marked as ½ day absent. Students leaving before dismissal are marked "early release." Please be reminded that Scholarships may be impacted due to a child's absences from school. Parents of students who display school year. Excessive absences from school will be required to attend a conference to develop an Action Plan with Administration and may not be re-registered for the upcoming Generally accepted excuses for absence, tardiness or early release:

- Illness of the student
- A confirmed family emergency
- A confirmed court appearance
- Participation in an approved school-sponsored activity (requires written permission from the principal)
- Death in the immediate family
- Internal or external suspension from school
- Consultation/interview with civil authorities
- Generally accepted non-excused absence, tardiness or early release:
- Vacation/Family Trips
- Babysitting/care for younger siblings
- Personal services
- Attendance at local non-school sponsored events
- Non-school events (e.g. athletics, arts, etc.)

A student who accumulates 10 unexcused absences to a class should have grades withheld pending implementation of appropriate interventional strategies or remediation. Such strategies can include such measures as required Summer

School, additional assignments, retention in grade, etc. These would require the approval of the principal, and in some instances, approval of the Superintendent. The teacher will not provide make-up work for the student when the absence, tardy or early release from class is unexcused. If a student is suspended, it is the student's responsibility to obtain makeup and schedule missed assessments with their teacher(s)

All homerooms are to be open to students at 7:50am. All students are late if not inside homeroom once the 8am bell has rung. Panther Country News begins at 8am. During PCN, ALL in the building are to participate despite location and must be attentive to news and announcements.

## **Tardiness**

Excessive tardiness, as deemed by the principal, may result in Saturday detention. Students are expected to arrive at school on time every day. When a student is tardy, entering through the pedestrian gate after 8am bell has rung, the parent MUST bring the student to the reception office for a late slip. After being tardy three times, the student earns an absence. It is the responsibility of the parents to have the children seated in class by 8:00am every day. Parents may be contacted by the Administration when the student is consistently tardy. Other disciplinary action may be incurred at the Administration's discretion. Should a child be tardy to school while the Main Office is closed, for example, during School Mass, the parent must wait until the Main Office reopens to properly sign the child into school in the Main Office. Students cannot be dropped off at Church.

## **Early Release**

While it is important that students are at school the entire day, if the student must be dismissed early, please use the buzzing gate for the main office to facilitate the dismissal. Please schedule any appointments after school hours, but as situations may arise, please know that after 2:15pm early dismissal will no longer be allowed. Once the school opens the gates for regular dismissal, all students must remain in their class until they are called to go home for the day. All students must be dismissed early through the Main Office after adhering to the sign-out procedure and displaying the designated placard or providing ID for verification. Only individuals listed on the emergency contact form will be permitted to sign out the student(s). (No emails, faxes nor telephone authorizations will be accepted... NO EXCEPTIONS). Please do not make these requests to the classroom teachers or the school office personnel.

Once the student is dismissed from school, including Aftercare, the student is not allowed to return or stay on school grounds unattended. The Archdiocese of Miami mandates this policy for the safety of the student and insurance reasons. The school expects the cooperation and understanding of all parents in this matter in order to keep students safe and protected.

The Principal may approve an Early Release for students in school-sponsored activities that deem one due to location. The Early Release in these cases is NOT approved for siblings of the students participating.

## **Perfect Attendance**

A student must be in attendance for a full day of school each day of the grading period in order to receive recognition for perfect attendance. A student may NOT have any tardy or early release to be considered as having perfect attendance. Perfect Attendance certificates are awarded for perfect attendance and punctuality. Please check your Portal frequently and address any concerns regarding attendance via email [attendance@stspeter-paul.org](mailto:attendance@stspeter-paul.org). Attendance SPP form can be found on the school website.

## **Arrival and Dismissal**

All students are required to have a book to read in their backpacks at all times. SPP arrival/dismissal times are silent reading times for all students. The school offers 2 entries for arrival. Parents/Guardians can make the carline or use the Parent Walk-Up gate which opens at 7:30am, when supervision begins on campus for students not in Beforecare, and closes at 7:50am, as all Staff must be inside for prayer at 8am. If using the carline, please be sure to adhere to Staff directions, have your child ready to exit the vehicle on the passenger side and adhere to the 5mph speed limit. Please do not store backpacks in your trunk and do not wait for valet service. Students may exit their vehicles on their own as there may not necessarily be a staff member for each car unloading. We ask that parents do not exit their vehicle at any time and children sit on the passenger side for dropoff. If the Parent Walk-Up gate is chosen, please be sure to be mindful of signage, hydrants, driveways and our neighbors. Please do not have your child get out of the vehicle on a moving lane of traffic as this poses a safety concern for your child and others. The pedestrian gate closes promptly at 7:50am daily. Please review the Arrival/Dismissal detailed Guidelines found on our website for further specific details on our Arrival and Dismissal times at SPP.

Carline and Parent Walk-Up are the dismissal options at SPP. Please adhere to Staff directions to ensure you are in the correct pick-up lane for your dismissal (2:45pm or 3:00pm). Placards must be displayed on the right side of the dashboard of the vehicle until you exit our campus. This allows staff to easily view for data entry and student dismissal. At the Parent Walk-Up gate, we ask that you hold up your placard for staff to easily see for data entry for your child's dismissal. Should the placard not be present at dismissal, please understand that the child will not be dismissed until once dismissal of our carline has concluded, the school opens the gate for Main Office dismissal and after ID has been verified with the child's Emergency Card.

All families will be provided placards at Meet and Greet after acknowledging the Liability forms. Additional placards can be purchased by the Parent/Guardian for a minimal fee by submitting order through [info@stspeter-paul.org](mailto:info@stspeter-paul.org). \$3 per placard sheet will be charged through FACTS. Pictures of placards or IDs are not acceptable for dismissal of any child from SPP.

Students who bike or skate to school, must wear a helmet and enter through the Parent Walk-Up gate. Bicycles, skateboards and helmets must be stationed on the school rack until the students have been called for dismissal. Students may not ride them until they exit the property.

Dismissal of all Athletes not registered for the Aftercare Program is through the Parking Lot gate by their Coach. Placards must be presented for dismissal at such time.

## **Cleaning of Classroom/Cleaning Crew**

The cleaning people are bonded and not authorized to open classrooms for any purpose other than cleaning. They may not open classrooms for students who have forgotten something in their rooms, nor may they open the rooms for parents.

## **Cancellation or Emergency Closures of School**

If school must be cancelled due to dangerous weather or some other emergency, SPP will follow the lead of the Miami-Dade County Public Schools. Parents are to monitor the local news broadcasts for bulletins from Miami-Dade County or the Archdiocese of Miami. Reopening of school is a decision to be made locally by the pastor and or the school principal. In the event of a sudden emergency during the school day, parents will be contacted, via mass emails, text messages or direct telephone calls. Depending on the emergency, SPP will utilize the most safe and proper communication mean(s).

## **Emergency Information**

At the beginning of each year, parents fill out an emergency contact card for each student they have enrolled in SPP. Cards/forms are kept on file in the school office. If the student has a serious health problem or condition, it must be noted on the card. It is important that the information on these cards be correct, up-to-date, and easy to read. In an emergency situation, the school must have the proper information in order to respond properly. The completed form is due no later than the first day of the school year. It is a parent's responsibility to maintain updated information on the card throughout the school year.

## **Communication Code of Professional Communication**

All communication should be reflective of the Catholic mission of SPP. All members of the school community must be treated with respect and dignity. When conflicts arise, communications must be directed towards seeking a constructive solution to the conflict. Concerns and questions should be addressed first at the lowest, most appropriate level. If the concern or question is not resolved, it may be taken to the next level of communication/authority.

Sts. Peter and Paul Catholic School will strive to keep up with technology and will be posting announcements on its website, social media and SchoolMessengers. A weekly electronic bulletin informs all of the latest as well as upcoming events at SPP.

If you need to speak to a teacher or staff member, please email the teacher or staff member or call the school office to schedule an appointment. If you have a concern involving a teacher, please speak to the teacher first, before requesting an appointment with the principal.

The school office will relay EMERGENCY messages to the students and will call parents in the case of an emergency. It is the student's responsibility to come to school prepared. Telephone calls or delivered for forgotten items (example: lunches, supplies, homework, gym clothes, projects, clothing for after school, sport uniform, etc.) will not be permitted. Students who did not bring lunch at arrival will be provided lunch from Maschio's Inc., our Café Vendor and billed accordingly. At SPP, we value instructional time and strive to protect it at all times, therefore we appreciate your support in minimizing disruptions for all our learners and teachers.

## **Conferences**

Conferences are requested as needed during the school year by the parent and/or faculty member. Faculty members are always available to discuss pupil progress with the parent. We encourage 2 conferences per year at minimum. However, we ask that parents make arrangements in person or contact the faculty member directly through the school email account. Spontaneous conferences are not permitted. At no time are parents to present themselves to a Staff member during school hours; this includes the time after the first bell in the morning or at lunch or during dismissal. Conferences will be scheduled by the faculty and or administration via email or written request. There is a 48 hour waiting period for the staff member to respond to a parent email communication regarding scheduling a conference and/or other issue. No Cell phones are permitted during the conference. Teachers are required to complete conference documentation with signatures from individuals in attendance. Parents/Guardians must present ID when arriving for a Conference and be screened as a Visitor in the Main Office.

## **Parental Rights in Case of Separation**

Sts. Peter and Paul Catholic School, in accordance with Florida Statute 61.13 (3) may make school records and in-person conferences available to both parents unless a court order specifically revokes this right, in which case it is the responsibility of the custodial parent to provide the court order to the school.

## **School Text Messaging/Telephone Calls**

The school may use text messages and automated telephone calls to alert parents/guardians of important information related to the school's mission, operations, and activities. Parents/guardians acknowledge and consent to the receipt of these messages when providing their telephone numbers.

## **Communicable Diseases and Related Items**

Attendance at school and participation in school activities poses some risks including the transmission of communicable diseases. Although the school has taken various measures to reduce the risks of transmission, the possibility of infection from communicable diseases is nonetheless present. Parents expressly assume such risks by allowing their children to attend school and participate in school activities and/or by coming onto the school campus and attending school activities themselves.

In the event of a natural disaster, disease outbreak, or any other circumstances which in the judgment of the school administration make it unfeasible, unsafe or otherwise imprudent to continue campus- based education, school educational programs may resume as soon as practical by way of distance learning and/or other methods adopted by the school

administration and faculty. Due to the school's continuing financial obligations related to its operations, there will be no suspension, reduction, or refund of tuition in these circumstances.

## **Immunizations**

The Archdiocese of Miami requires that, prior to attendance in school, each student present or have on file with the school a certificate of immunization for the prevention of those communicable diseases for which immunization is required by the Department of Health. A Florida Certificate of Immunization (Form DH 680) completed by a health care provider participating in Florida Shots is required to document the administration of prescribed immunization doses or to document a permanent or temporary exemption therefrom. An exemption from immunization requirements is permissible only with a physician's certification as to the need for either a temporary or permanent medical exemption. An exemption from immunization requirements is not permissible for religious, philosophical, personal, or other reasons.

## **Medication Guidelines**

Except as authorized by the school, students are not permitted to carry or distribute any prescription or non-prescription drugs or treatments, including aspirin, on the school grounds or at any school function. The administering of medicine to a student outside the doctor's office or a health institution is a parental responsibility and should only be delegated to school personnel when necessary and authorized by the school. Parents should ask their physicians if it is possible to prescribe medication so it can be administered at home. Only when necessary, will the school allow the administration of medication on campus, and only under the following guidelines:

1. An authorization form must be completed and submitted by a parent or legal guardian of the student. The name of the medication and dosage should be indicated on the form.
2. Medications requested to be dispensed at school should be labeled with the child's name and the exact dosage. The name and telephone number of the physician should also be on the label.
3. While the school may monitor a student taking the medication, the school will not remind students to come and take their medication.

Exceptions to this policy may be made for the use, supply and administration of an epinephrine auto-injection (Epipen), or as otherwise authorized in writing by the school. In particular circumstances, the school may agree to administer medication or otherwise provide health care interventions that go beyond a minor adjustment for a particular student. In those cases, Parents hereby release the school, the Archdiocese, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provision of those health care interventions that are beyond minor adjustments.

## **Allergy Policy**

Under no circumstance can parents or teachers distribute party bags and/or edible goodies or treats. All allergies must be listed in Emergency Cards that are part of the registration and beginning of the school year forms. NO pets are permitted on school grounds at any time. Issues with allergies and safety prohibit any pets on campus.

## **Clinic**

Parents will be contacted to pick up students who are sick and must sign the early dismissal register in the reception area. It is important that each student have an up-to-date emergency contact card.

## **Injuries/Accidents**

All accidents or injuries occurring on school grounds are reported immediately to the staff on duty or to the school office. Parents will be contacted if the seriousness of the injury so warrants. An injury report will be completed for documentation and sent home with the student.

## **Insurance**

The Archdiocese of Miami requires in-school insurance for all students. The cost for this is included in the book and activity fee. Students are covered during school hours through this insurance. 24-hour insurance may be purchased as an option at parent's cost.

## **Church Community**

The Christian formulation SPP provides its students is what sets the school apart from other educational institutions. Sts. Peter and Paul is a Catholic school, sponsored by the Catholic Church, and religion is taught from the Catholic perspective. Non-Catholic students are not required to practice in the Catholic religion or to assume beliefs different from their own religions; however, they are required to attend Mass or other religious functions and to follow the procedures at Mass. The sacramental classes, third grade and eighth grade, receive the Sacraments in the course of a school year. There are fees assessed for students receiving their Sacraments at SPP during enrollment in our school. Fees are assessed through FACTS.

Students and their parents, particularly in the sacramental classes, are asked to attend Mass at Sts. Peter and Paul. Parents are welcome to attend any Church celebration. We believe that all education must lead to the development of a mature and personal relationship with Our Lord Jesus Christ. Emphasis is placed on instruction in the classroom, a common prayer life, participation in Mass and the sacraments and community service. The program includes, but is not limited to, the following:

At 8:00am each school day, there is a school-wide prayer and pledge of allegiance. Each class begins with a prayer or moment of spiritual reflection. School Masses are usually held a minimum of twice per month. All students are required to attend and participate in school Masses. The Sacrament of Reconciliation will be held school-wide, usually 2 to 3 times a year. During the school year, various religious programs including class Masses, Stations of the Cross, May Crowning, Rosary, Para liturgical services and Sacramental Retreats may supplement the religious program.

## **Curriculum**

Sts. Peter and Paul Catholic School adhering to the curriculum of the Archdiocese of Miami includes instruction in the following major subjects: Religion, Social Studies, Language Arts, Reading, Mathematics, and Science. The minor subjects are: Art, Music, Physical Education, and Spanish. Lessons and grading are standards-based in our classes.

## **Grading Policy**

## **Grades on PlusPortal**

PlusPortal is a web-based tool that is utilized by students, teachers, parents and guests in various ways. It serves as our school community website and offers parents and students the ability to track progress and take charge of their academics. Parents and students will be issued an access login and a temporary password. Parents and students are required to utilize this tracking tool to closely monitor academic progress.

## **Academic Reporting**

Interim Progress reports are viewed electronically through Plus Portal at the mid-point of each of the four quarters of the year. With these reports, teachers advise parents about what to expect on the Student Report Cards. It is the responsibility of the parents to contact the teacher if there is any need for clarification. At the mid-term, there is ample time for students to improve. Parents should communicate regularly with the teachers in order to be aware of the student's academic status. Parents are required to monitor Plus Portal on a regular basis to determine student's academic progress or lack thereof.

## **Homework**

Homework is an essential part of each child's educational program. It provides a means of reinforcing lessons taught in school and teaching necessary skill of independent study. It helps to promote good study habits and encourages students to share classroom experiences with parents. Homework is given at the discretion of the teacher from Monday through Friday. Parents are responsible for checking the agenda (lower grades) and Plus Portal regularly. Agendas are \$5 and fees are assessed in August for all enrolled students via FACTS.

Other reasons for homework:

To build interest in reading and learning.

To increase learning in all areas of development.

To establish self-discipline, independent study skills, and organizational/time management skills.

To encourage parent awareness of student learning.

To make up work due to an absence.

To provide an opportunity to pursue special interest of other areas.

To expand and/or enrich regular class work.

The following chart suggests a minimum amount of time children should spend on homework daily. At times, homework may increase or decrease at the discretion of the Teacher, Pastor and/or Principal.

Recommended times:

Grade PK: 20 minutes Grades K-1: 30 minutes Grades 2-3: 45-60 minutes

Grades 4-5: 60-90 minutes

Grade 6-8: 75-120 minutes

Note: These times do not reflect the additional 30 minutes that are to be devoted to reading. These times are a guide and are based on the average child's ability, level of concentration and undistracted time for doing homework. A child who does not complete classwork in class may have to complete classwork in addition to homework. Agendas are implemented to support students in their organizational habits and are to be utilized for recording homework, reminders, updates and other important notes for home.

Excused absence: Teacher will give the parent/student the makeup work and date all work is due. It is the parent's responsibility to inform the teacher in writing at least one week prior.

Unexcused absence: This is at the discretion of the teacher. Teacher is not required to give make up work, test, or other assignment for any student with an "unexcused absence".

Students should have a quiet, well-lit place to study, seated at a table or desk, undistracted by television, radio, stereo, etc.

Homework should be done at about the same time each day. If the child finishes the assigned tasks before the end of the study time, please see that he/she has a book to read or research questions to investigate. Homework must be turned in when the teacher stipulates unless an illness or emergency prevents this. Such a situation should be rare, but if it does

occur, a note signed by the parent must be sent to the teacher. Also, if a student has difficulty and is unable to do an assignment, a note signed by the parent must be sent to the teacher.

## **Retention/Summer School**

A student may be retained in their current grade for an additional year. The child's attendance, academic, behavioral, and social needs may be considered. The school may notify parents of this possibility in writing by April. Students may not be promoted unless they have successfully completed the curricular and behavioral expectations of SPP.

When it is necessary to retain a student, mutual agreement should be reached by parents, teacher and Principal; however, it is policy that the school will have the final say.

A student who does not meet a final passing grade (60 or higher) in any core subject (Reading, Language Arts, Mathematics) in any grade may be retained. Summer School attendance may be required or strongly recommended for any

student scoring a final grade of “D” (60-69) in any core subject (Religion, Reading, Language Arts, Mathematics, Science and Social Studies). In addition to these areas, students should also have a proficiency in the following subjects: Music, Art, Spanish, and Physical Education.

Also, a student who accrues more than ten (10) unexcused absence days per year may not be promoted to the next grade pending satisfactory fulfillment of summer school requirements or may be requested to transfer unless the principal grants an exception and decides how the student may complete additional instruction. Final decision regarding student promotion and retention is the responsibility of the Principal.

### **Private Tutoring, Coaching or Lessons**

Except as specifically noted in this Handbook, the school does not sponsor, oversee, or otherwise provide private tutoring, coaching, therapy or other similar private lessons or services. Parents who engage school staff members for the provision of these services do so at their own risk and expense and are hereby advised that such services are outside the scope of the staff member’s employment with the school. Parents, by executing the acknowledgment of receipt of this Handbook HEREBY RELEASE the school, the Archdiocese, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provision of private tutoring, coaching, therapy or other similar private lessons or services, regardless of where they may occur.

### **Discipline**

Students and Parents are expected to behave consistent with the mission, philosophy and spirit of the school and the moral teachings of the Catholic faith as determined by the Archbishop of the Archdiocese of Miami. Because the school cannot anticipate all conduct that violates this policy, it reserves the right to take any form of (1) student disciplinary action, including administrative withdrawal, and/or (2) restrictions against any behavior that violates this policy, even if not specifically stated in this handbook.

In the event that a student has violated any component of this handbook or their classroom rules and expectations, the following progression of discipline may be adhered to: 1) Infraction Form, 2) Reflection, 3) Detention, 4) Administrative Referral, 5) Counseling Intervention, 6) Parent/Student Behavior Compact and Conference, 7) Possible Withdrawal from SPP. Please understand that the severity of the behavior, as deemed by the Administration, may bypass one or more of the action steps noted above.

Sts. Peter and Paul Catholic School strives to create a strong sense of community and assist students with relationships and how they interact with and treat one another. All children must work at being open to others and accepting and tolerant of others. Hopefully, the students of SPP may recognize the uniqueness of others and learn that differences enrich us. Community is that sense of belonging and the living by a common set of behavioral standards. For serious or chronic behavior infractions, students may be placed on Behavior Compacts and serious infractions may also result in Suspension or Administrative Withdrawal.

Discipline is maintained when students work cooperatively toward the attainment of classroom and school objectives. However, it should be noted that the interest of the school extends beyond the school day; that is, home and school are to be reinforcing each other in values. In the event that a parent/guardian does not return the discipline forms signed to staff administering them the day after, the student will not be able to participate in any extracurricular activities, until the form(s) are returned and/or a Parent/Student/Staff Conference is scheduled at a time determined by Staff. If forwarded, This may also escalate discipline action administered by the school. Signing a Disciplinary Form does not mean you as a Parent/Guardian agree with it, but rather that you have received and acknowledged your child received it. Not returning forms to the school, will not allow your child to participate in any extracurricular, school-sponsored activities until the Parent/Guardian demonstrates support and partnership by doing so. Should the child have a Detention pending to be served, the same applies. The child will not be able to participate in any school-sponsored extracurricular activity.

The following acts will be regarded in varying degrees as minor and major infractions requiring disciplinary action. Please note this list is not all encompassing and at the discretion of Administration may be updated as needed.

1. Excessive tardiness and/or excessive UNEXCUSED absences.

A student who engages in conduct, whether inside or outside the school that is detrimental to the reputation of the school may be disciplined by school officials. The principal reserves the right to determine the appropriate disciplinary measure to be taken. In the case of any infraction which is deemed to endanger physically or morally the student or any other student or adult at the school, the pastor and/or principal reserve the right to bypass all "disciplinary steps" as outlined above and suspend or expel said student.

Students who do not exhibit a responsible attitude may be deprived of involvement in activities.

Procedures regarding accountability are as follows:

A. Academic

1. Any student athlete who receives an Insufficient Progress Report grade or a Progress Report or Report Card indicating a grade of "D" or "F," which amounts to an average of "69" or below in any subject will become an inactive member. 2. Effective immediately, an inactive member may not participate or attend any meetings, practices, games, or competitions for two full weeks, beginning Monday and ending the second Friday.
3. If at the end of the second week (Friday), the student athlete has improved his/her grade, he/she will be reinstated to active status.
4. If no improvement is shown at the end of the second week (Friday), the student athlete will remain inactive until his/her average improves to "70" or above.
5. If there is a practice, game or competition over the weekend, and the student athlete didn't receive reinstatement at the end of the week (Friday), he/she will not be permitted to participate or attend that weekend activity. All suspensions and reinstatements should channel through the Athletic Directors/Sponsors, so that communication between all Staff is effective.

2. Any student who arrives after 9:00am or is early released, without Administrative prior approval, may not be permitted to participate in that day's practice or game. Regulations regarding preparation for games are as follows: (The observation of these regulations is a matter of self- discipline). Practices begin at 3:30pm.
3. Away games which necessitate traveling a distance require permission from the principal for an early dismissal. In these very rare cases, time for dismissal may be announced to parents and school.
4. Sports practice/tryouts are over at 5:00pm, unless otherwise communicated by the Coach. Coaches may not remain after practice to take care of students. Please be here before the end time.

5. If it is impossible for you to make arrangements to pick up your children on time, then it would be in the child's best interest if you did not enroll him/her in the Athletic Programs.

The principal may ask any volunteer to discontinue their service based upon any factor that is not discriminatory. We ask volunteers to refrain from using cell phones and air pods during their volunteering to ensure everyone's safety and to dress appropriately. As a volunteer you are expected to model our Catholic mission and values and adhere to Staff directives as well.

## **Visitors and Volunteer**

All visitors and volunteers are required to report to the Main Office area, to sign in and obtain a Visitor's Pass. If it is necessary to deliver an item to a child, such as medication and eyeglasses, it must be dropped off/administered in the Main Office. It is extremely important that classroom activities be interrupted as seldom as possible. At no time should a parent disrupt a classroom during the school day.

Service is at the heart of who we are as Catholics and families of our community. Parents of students enrolled at SPP are expected to fulfill 20 volunteer hours each school year (August-June). Each additional child requires an additional 5 hours. A total of 20 hours minimum are expected per family, with 5 of those hours served at our Parish Festival. Please log into your VIRTUS accounts to determine your status and remain current with your VIRTUS bulletins as well as fingerprint

clearance. Up to 10 hours can be donated by contributing to the items the school has requested, adhering to the Stewardship Donation Form. Parents who attend an SPP Emmaus Retreat during the school year with us, may earn 10 hours.

## **Lost and Found**

Parents are requested to mark articles of clothing and lunch boxes with students' names. Articles found are placed in the Lost and Found, located in the Main office. Articles not claimed after 14 days may be given to a charitable organization. Students can visit the area at arrival and lunch. Parents can visit the area between 8:30am-9:30am. Sts. Peter and Paul Catholic School does not assume responsibility for any missing item left on campus by a student, parent, visitor, and/or family member. All articles left in the classroom or lockers at the end of the year maybe disposed of monthly.

## **Classroom Celebrations**

Celebrations should have minimal impact on instruction. The Administration must approve and the Main Office must be informed of celebrations going on at all times. Staff and Parents need to be cognizant of food allergies and no home cooked goods can be shared or eaten. Students are recognized by their HR teacher for their birthday, however, no birthday celebrations or guests with snacks and goody bags are permitted on campus. Birthday invitations are not distributed by Staff or during the school day.

## **Home School Association/School Advisory Council**

The Home School Association and the School Advisory Council are the official organizations of the school to provide help and support for parents and teachers. Meetings are held at the school throughout the year. A membership drive occurs yearly for \$50 per family. Our SPP HSA is established for the purpose of building community and generating support. HSA does not discuss parent concerns, school policies or personnel issues. The School Advisory Council is involved in assisting the school in fundraising, planning functions to foster school spirit and promoting activities to improve the school. The School Advisory Council serves to advise the Pastor and Principal and to act as a forum for parents to raise questions and voice opinions.

## **SECTION II-SPECIFIC POLICIES**

### **Anti-Bullying Policy**

The school is committed to promoting a safe, healthy, caring, and respectful learning environment for all of its students. As such, bullying is strictly prohibited and will not be tolerated. Therefore, this policy prohibits any unwelcome verbal or written conduct, or gestures directed at a student by another student that has the effect of:

physically, emotionally, or mentally harming a student.

damaging, extorting, or taking a student's personal property.

placing a student in reasonable fear of emotional or mental harm.

placing a student in reasonable fear of damage to or loss of personal property; or

creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities or the Catholic mission of the school.

### **Definition**

Bullying is the willful and repeated harm inflicted upon another individual which may involve but is not limited to teasing, name-calling, slurs, rumors, jokes, false accusations, intimidation, stalking, innuendos, demeaning comments, pranks, social isolation, gestures, cyber-bullying or other verbal or written conduct. Cyber-bullying includes the following misuses of digital technology: teasing, intimidating, or making false accusations about another student by way of any technological

tool, such as sending or posting inappropriate email messages, instant messages, text messages, digital images, or website postings (including blogs and social network sites). Bullying reflects a pattern of behavior, not a single isolated incident.

This definition includes students who either directly engage in an act of bullying or who, by their behavior, support another student's act of bullying.

## **Scope**

This policy prohibits bullying that occurs either:

on school premises before, during, or after school hours.

on any bus or vehicle as part of any school activity; or

during any school function, extracurricular activity or other school-sponsored event or activity.

## **Reporting Complaints**

Each student and parent have a duty to report any bullying to the school immediately. If a student experiences (or a parent witness or learns of) any incident of bullying, the incident must be promptly reported to the school principal. The principal will provide the student/parent with the Bullying Complaint Report Form which must be completed, dated and signed by the complaining party so that the school may initiate further inquiry, when appropriate.

## **Disciplinary Action**

Any student found to have violated this policy may be subject to appropriate disciplinary action, which may include temporary removal from the classroom, loss of privileges, detention, counseling, parent conference, suspension, administrative withdrawal, and/or notification to appropriate authorities. The disciplinary action may be unique to the individual incident and may vary in method and severity based on the principal's discretion.

False reports or accusations of bullying also constitute a violation of this policy and may subject the offending party to appropriate remedial action which may include, but is not limited to, the assessment of costs incurred by the school in its investigation and review of any reports deemed to have been made in bad faith.

## **Bullying/Harassment Investigation Disclosures**

While the School generally prohibits the nonconsensual disclosure of information contained in educational records, limited exceptions apply including for the disclosure to victims of bullying or harassment when disciplinary sanctions or other measures relate directly to the victim. Parents hereby consent and acknowledge that the school may, pursuant to this exception, disclose to the victims of harassment or bullying, and to their parents, any information related to disciplinary sanctions and/or bullying at issue regardless of whether the matters disclosed are part of an educational record.

## **Harassment and Discrimination**

The school is committed to providing an environment that is free of discrimination and harassment. In keeping with this commitment, the school will not tolerate harassment or discrimination based on a person's protected status, such as gender, color, race, ancestry, national origin, age, physical disability, mental condition, marital status, veteran status, citizenship status. All employees, faculty members and students are protected under this policy. In addition, this policy applies to all conduct occurring on school grounds, at assignments outside the school, or at school-sponsored events. All students are responsible for helping to ensure that any harassment or discrimination is reported. If a student witnesses or learns of any conduct that violates this policy, the student must immediately report the incident to his/her principal. If, however, the principal is the individual who is believed to have engaged in inappropriate conduct, the student should notify the

Superintendent of Schools of the Archdiocese of Miami. If an investigation reveals that inappropriate conduct has occurred, the school will take corrective action based on the circumstances.

### **Smoking/Vaping**

It is a violation of Florida law for any minor to knowingly possess any tobacco product, nicotine product, or nicotine dispensing device. In addition, the use of tobacco products, electronic cigarettes, and vaping carry known health risks that can be very serious. The use of any tobacco products, electronic cigarettes, and/or vaping in any form is prohibited on school property and at any school events. Violation of this policy will result in disciplinary consequences which may include administrative withdrawal from school.

### **Sexting**

The electronic transmission or receipt from one minor to another of any photograph or video that depicts nudity may constitute illegal sexting. Students engaged in sexting will be subject to serious disciplinary consequences which may include administrative withdrawal from school. In addition, the school administration may report instances of sexting to the Florida Department of Children and Families or local law enforcement for appropriate investigation as to violations of law. The electronic transmission of sexually explicit language by a student may also constitute grounds for disciplinary action.

### **Transportation Arrangements**

Parents hereby acknowledge and agree that the school does not provide or arrange for student transportation to or from school, except as specifically set forth in writing by the school. Student transportation to and from school each day is a parental responsibility. The school does not authorize or endorse any private transportation arrangements. In limited and documented circumstances, a parent may engage a commercial transportation company to transport a student from school. However, any such engagement requires the written authorization of the school and the execution of school documents allowing for such an arrangement. Except upon the written consent of the school, parents should not utilize internet-based transportation services (such as Uber or Lyft) to transport students to/from school and school-sponsored activities.

### **School-Sponsored Events**

The school does not sponsor, oversee, or in any way control parties or social functions at private residences. School-sanctioned events, including all field trips, excursions, or parties, are specifically identified in this Handbook, or are identified in the school calendar and/or written notices generated and distributed by the school.

Parents, by executing the acknowledgment of receipt of this Handbook, HEREBY RELEASE the school, the Archdiocese of Miami, and their corporate members, officers, employees, affiliates, and agents, from any claims or liabilities that allegedly arise from or are related to attendance at parties or social functions at private residences or from participation/attendance at events not identified in the school calendar or in written notices from the school, including field trips, excursions, or parties.

Students engaged in conduct that is contrary to the mission and philosophy of the school may be subject to disciplinary action regardless of whether the conduct occurred at a school-sponsored function.

### **Safety in Private Spaces**

Sts. Peter and Paul Catholic School complies with the requirements of §553.865, Florida Statutes, The Safety in Private

Spaces Act. Except where facilities are specifically designated as unisex, the school's bathroom and locker room/changing facilities are designated exclusively for use by biological females or biological males. Any student who willfully enters a school restroom or locker room/ changing facility designated for the opposite sex and refuses to depart when asked to do so by any school personnel will be subject to disciplinary consequences as established by the school principal unless a specific statutory exception applies. This handbook provision may be considered a part of the school's code of student conduct.

## **Threats of Violence**

The disciplinary consequences for a student whose verbal or written comments, including email messages, that threaten serious bodily harm to another student or member of the faculty or staff or destruction of property, may include, but not be limited to:

Immediate suspension from the school.

Reporting to law enforcement.

Treatment or consultation by a psychologist or psychiatrist at the parents' expense and/or by the school counselor, both of whom may be asked to submit a written evaluation. If it is determined that the child was serious about the threat and has the capacity to carry it out, the child may be administratively withdrawn from the school. If it is determined that the child did not seriously intend to do harm to others, the child may be allowed to return to the school, at the discretion of the school principal.

If allowed to return to school, the child may be placed on probation with an indication that, should a similar threat occur, the child will be administratively withdrawn from school.

The school should inform the Office of Catholic Schools of these cases. The school may submit an informational report to the police.

## **Weapons Policy**

Weapons are not permitted anywhere on school grounds or at any school activity. Any student who brings a weapon to any school activity, who is in possession of a weapon, or who threatens others with a weapon may be administratively withdrawn from the school. Any item used to threaten or cause bodily harm may be considered a weapon. In particular, the possession of any instruments or objects that can be used to inflict serious harm on another person or that can place a person in reasonable fear of serious harm will be considered weapons. Included in this category are BB guns, Airsoft guns, and toy or replica guns represented as real guns. Also included in this category is the possession or storage of items which are prohibited at school, including but not limited to ammunition clips, bullets or cartridges, flammable liquids, combustible materials, poisonous substances, mace, pepper spray, and any other items which may result in injury.

## **Drug and Alcohol Policy**

The use or possession of illegal drugs or illegal mood-altering substances, alcoholic beverages, drug-related paraphernalia, or the abuse of prescription or over-the-counter drugs by any student on school property or while attending or participating in any school-sponsored activity or at any time the student is wearing a school uniform is forbidden.

Transgression of this rule will result in disciplinary action, which may include administrative withdrawal from the school, even for a first offense.

Any student selling drugs on school property or at school functions may result in a disciplinary response, up to and including administrative withdrawal.

The school is committed to a drug-free environment. This commitment may, under some circumstances, prompt a need for testing of students for evidence of substance abuse. It may also involve the use of drug dogs and other methods in the discretion of the school administration which seek to deter the use and/or distribution of illegal drugs or alcohol.

If a student exhibits the symptoms, or is suspected of substance abuse, the school may require that the student undergo substance abuse testing at the parents' expense. If the results of the test suggest abuse (and the substance was not used on or brought to campus or a school-related activity), the school will normally use this information to help the student seek assistance. Refusal to participate in such a test may result in administrative withdrawal from the school.

At times, the school may choose to conduct random drug testing of the student body at the parents' expense. A school may conduct random searches as set forth in this handbook.

## **Search and Seizure Policy**

The principal and his/her designee have access to any lockers, handbags, electronic devices, cell phones, book bags, desks,

cars or any other object that is brought onto the campus of the school or any school-sponsored event, and may remove or confiscate any object which is illegal or contrary to school policy.

## **Public Display of Affection**

The Catholic school promotes friendship, charity, kindness, love and respect for self and others. However, student inappropriate displays of affection, such as kissing or embracing which connote more than simple friendship, are not permitted in school, at school dances, or at any school event. Those who violate these rules may be subject to disciplinary measures, including detention, suspension, or administrative withdrawal. The administration reserves the right to determine what is, or is not, appropriate behavior in a Catholic school.

## **Use of Photos**

The school reserves the right to use student or parent photos in any school or Archdiocesan publication including but not limited to print publications, videos, or websites including Facebook, Instagram, and other social media websites. Any parent who does not want his or her child's picture or video to be used accordingly must notify the school's principal in writing prior to the beginning of the school year. By executing this acknowledgement of receipt of this Handbook, Parents HEREBY CONSENT, authorize and grant permission to the school, the Archdiocese of Miami, and their agents, employees or duly authorized representatives to photograph or videotape students and parents and CONSENT to their publication for any purpose deemed proper by the school, including but not limited to, use on the internet.

Additionally, Parents, by executing this acknowledgement of receipt of this Handbook, HEREBY RELEASE the school, the Archdiocese of Miami, and their corporate members, officers, employees, and agents, from any claims or liabilities that allegedly arise from or are related to the use of student or parent photos.

## **Fundraising**

No student or family member may solicit funds in the school's name unless such solicitation has been authorized in writing by the principal.

## **Community Service Activities**

Community service activities are not school activities and Sts. Peter and Paul Catholic School does not mandate or direct any specific location or locations in the community where these services are to be performed. Students are free to select the location where they wish to perform community service so long as the location and the activity meet the requirements of the school. Sts. Peter and Paul Catholic School does not operate or control the locations where students choose to perform community service and consequently the school, its agents, and affiliates do not assume responsibility for any injuries, damages, or losses incurred while performing these services in the community. Students perform these services at their own risk.

## **Child Protective Investigations**

Florida law provides that any person who knows or has reasonable cause to suspect that a child is abused by a parent, legal custodian, caregiver or other person responsible for the child's welfare must report such knowledge to the Department of Children and Families (DCF). The school will cooperate with all children protective investigations by

DCF or the local law enforcement agency. Reports should be made to Florida's Department of Children and Families by calling the Abuse Hotline at: 1-800-96-ABUSE (1-800-962-2873).

Child protective investigations by DCF or local law enforcement agencies sometimes include interviews of students at school and may occur without advance notice. When it is reasonably possible, the school will seek to notify the parents that their child has been asked to participate in a child protective investigation. The school may also request the presence of a school staff member during investigative interviews on school property. However, please note that, under Florida law, DCF and local law enforcement have the discretion to conduct unannounced interviews and to disallow school staff member's presence during these interviews.

## **Testifying in Divorce or Custody Proceedings**

The Catholic Church recognizes marriage as a Sacrament. In the Union of Christian spouses, the sacrament of Matrimony celebrates the relationship of Christ to the Church. Therefore, the school strongly supports the sacrament of matrimony as the foundation of family life and of the domestic Church. In recognition of the importance of the matrimonial sacrament to the Catholic faith, parents agree not to compel the attendance, testimony, or deposition of any school or church employee in any divorce, custody, or other legal proceedings which may in any way involve the dissolution of marriage or the determination of parental/custody rights.

In the event that a parent or legal guardian breaches this policy, any school or church personnel who are required to attend legal proceedings may be represented by an attorney. In addition, any and all legal fees and costs incurred by the school will be charged and become the responsibility of the parent or legal guardian.

## **Section 504 – Policy Statement**

Sts. Peter and Paul Catholic School complies with the mandate of Section 504 of the Rehabilitation Act which prohibits discrimination on the basis of disability in certain programs and activities. Pursuant to the requirements of the Rehabilitation Act, (Name) School will make those minor adjustments that can accommodate students with disabilities to the school's educational programs and activities.

The school's designated 504 Coordinator and contact information are as follows: .

Parents with questions regarding the school's disability accommodations or related items should contact the 504 Coordinator. Parents may file a grievance as to any decisions related to a disability accommodation and request an internal hearing and review by sending a written notice addressed as follows:

Office of Catholic Schools

Archdiocese of Miami 9401 Biscayne Blvd Miami Shores, FL 33138

The internal hearing and review will seek the prompt and equitable resolution of disability discrimination complaints.

## **Notification of Rights under FERPA**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

The right to inspect and review the student's education records within 45 days of the day the school receives a request for access.

Parents or eligible students should complete the Request for Release of Student Records and submit it to the school principal (or appropriate school official) identifying the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend a record should write the School Principal (or appropriate school official), clearly identify the part of the record they want changed, and specify why it should be changed.

If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office

U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-5920

### **Confidentiality Statement**

School officials, including teachers, administrators and other paraprofessionals in the performance of their duties will have access to student educational records. Parents/Guardians by executing the acknowledgment of receipt of this Handbook, HEREBY AGREE AND CONSENT to the disclosure of such records including the nature and existence of a disability, a medical/educational diagnosis, or any associated minor adjustments or accommodations made to such school officials with a legitimate educational interest in the information.

### **Electronic Acknowledgments**

Periodically, the school may require that parents or guardians make electronic acknowledgments confirming the receipt and/or acceptance of various policies, procedures, notices, releases or updates. Any time a parent/guardian makes an electronic acknowledgment by clicking "submit" or "accept" on an electronic document, that individual is agreeing that he/she has read, understood, and agrees to be bound by the contents of the electronic document. Electronic acknowledgments and signatures are valid and binding and may serve as consent to the contents of any electronic communication. Parents and guardians are responsible for reviewing the contents of any electronic document prior to making any electronic acknowledgments. In addition, Parents/Guardians, by executing the acknowledgment of receipt of this Handbook, HEREBY AGREE to receive and be bound by electronic acknowledgments.

### **Parental Cooperation**

The school views the education of a student as a partnership between the parents and the school. Parents and students are expected to comply with the school rules and policies, and to accept and support the authority of school officials, whether it be at school events, on or off school campus, or on social media or other public forum. Just as a parent can withdraw a child from the school if desired, the school has the right to administratively withdraw a student if it determines at its discretion that the parent or student partnership with the school is irretrievably broken.

### **School Policy and Principal's Right to Amend**

Any student action that is not in keeping with the philosophy/objective of Sts. Peter and Paul Catholic School is subject to the review of the administration and may lead to withdrawal from school. Since situations can arise that were not foreseen at the time of writing this Handbook, the school reserves the right to initiate, change or modify the policies as needed. The Principal and/or Pastor are the final recourse in all disciplinary situations and may waive any disciplinary rules for just causes at his/her discretion.
